Criterion	[S.11] GSAS Construction Management-Full
Subject:	Scoring
Applicability:	GSAS Design & Build v2.1 Schemes

Query

Scoring criterion [S.11] GSAS Construction Management-Full identifies only three scoring levels depending on the compliance with GSAS Construction Management requirements, as follows:

Score	Requirement
0	NOT targeted
1	2 Stars earned from GSAS Construction Management-Full
2	4 Stars earned from GSAS Construction Management-Full
3	6 Stars earned from GSAS Construction Management-Full

As projects are currently achieving intermediate star ratings in GSAS Construction Management, namely, 3 Stars and 5 Stars, how can the scoring in [S.11] allow for inclusion of all GSAS Construction Management Classes?

Response

The following scoring is introduced to cater for all expected Classes awarded to all registered GSAS Construction Management Projects:

Score	Requirement
0	NOT targeted
1	CLASS B and CLASS C
2	CLASS A
3	CLASS A+
